

Project Information and Screening Notes

Complete every required field. Keep answers concise and the final document to 1-2 pages.

Download first, then open in a PDF app that supports forms. Save a copy and reopen it to check your answers. If typing does not work, use the editable Word version.

Artist name or names REQUIRED

Use the names you want credited.

Contact email REQUIRED

For the artist or main contact for a group submission.

Work title REQUIRED

Duration REQUIRED

Minutes and seconds. Submitted work must be 3-5 minutes.

Video download link REQUIRED

Paste a download link, including any access instructions.

AI tools and how you used them REQUIRED

Name the models or software and what they generated or changed. Identify any realistic AI-generated or manipulated depictions.

Your creative contribution REQUIRED

Briefly explain your own role in conceiving, making and editing the work.

Rights and screening notes

Collaborators and sources REQUIRED

Credit collaborators and sources such as music, images, footage and identifiable people. Explain permissions, licences or other lawful basis. Write None if not applicable.

Copyright confirmation REQUIRED

In your own words, confirm that your music, imagery and text do not infringe copyright.

Eco reflection REQUIRED

Briefly describe how you tried to reduce energy use while creating or rendering the work. If you did not take specific steps, say so.

Screening and display instructions REQUIRED

Describe playback, looping or other display needs. Write Standard playback if none. For the optional L-shaped screen, contact the team before preparing the work.

Does the work include sound REQUIRED

Answer Yes or No.

Is sound essential to understanding the work REQUIRED

Answer Yes or No and add any audio needs. Playback will be confirmed with the team.
